### Directions for Measuring Floors

Make a plan of Room and give all measurements, showing all Doors, Windows, Recesses and Hearth.

After goods are received, take special care to keep them in a warm room until dampness, that may have been incurred in transit, is removed.

Be sure that the under floor is thoroughly dry, level and well nailed.

The above mentioned thicknesses are to be understood:

$\frac{5}{16}$  in. - Glued on canvas

$\frac{3}{8}$  in. - Glued on hardwood backing

$\frac{7}{8}$  in. - Glued on white pine backing.
